

## Sprint 3 Retrospective

### What went well

Implemented the second game mode

Improved the streak setting speed

Able to requeue into the game after it is done

Polished login page

Can see if other players have won the game

### What went wrong

Colour Sync bug

Kicked to the login screen after the game is done

Does not update high score live

### What can be improved

Improve on the colour sync

Improve on requeue page rather than going back to login page

Check legal word per user input.

Improve the position and size of the high score

### Sprint velocity
